GOROKY ARMAMENT PLANT "STALIN 92"

This memorandum is in answer to a request by [REDACTED]

25X1A

I/NA, for a photo intelligence study of the Gorky Armament Plant "Stalin 92". The best available vertical photography of this plant is captured German photography taken early in World War II. An enlargement was made and annotated and delivered to the requester. Additional requirements on this project are anticipated after the requester has studied and used the information that was supplied.
